Covenant Place of Lenexa Hosts An Afternoon Learning About Famous Christian Artist

Lenexa, KS (6/23/15) — Covenant Place of Lenexa is hosting a presentation put on by the Warner E. Sallman Art Collection, Inc. on Sunday, June 28th. The program, titled The Master Painter, will showcase many familiar and popular paintings of Jesus Christ, created by artist Warner E. Sallman. The presentation will take place at 2 P.M. in Covenant Place of Lenexa's multipurpose room.

One of the most familiar and popular of all the paintings of Jesus Christ is the Head of Christ painted by Warner E. Sallman in 1940...75 years ago. This famous painting, along with Sallman's other images, has been reproduced around the world over one billion times. He is also famous for his depiction of Christ at Heart's Door, which is Jesus knocking at the door; Christ in Gethsemane, which is Christ praying in the Garden of Gethsemane prior to his crucifixion; The Lord is My Shepherd, and many other religious and secular paintings.

The program will be given by the Rev. LeRoy L. Carlson, founder and president of The Warner E. Sallman Art Collection, Inc. This inspirational and informative program includes the story of Sallman's life, the story of the Head of Christ, the life of Christ using Sallman art, and over forty of his other popular works of art.

Warner E. Sallman, born April 30th, 1892 and died May 25th, 1968, was a commercial artist and painted over 500 original artworks. His paintings have been seen all around the world in homes, churches, schools, offices, and shops. The Head of Christ is found on church bulletin covers, bookmarks, calendars, prayer cards, Bibles, lamps, clocks, buttons, tracts, stickers, and stationary. He also did his Head of Christ many times in chalk before various churches and groups. It has also been seen in motion pictures and the Rose Parade.

In 1999, Dr. Jack Lundbom, the noted Old Testament scholar, who was a friend and neighbor of Mr. Sallman, wrote a book about him which is titled Master Painter. It can be purchased at the time of the program, along with other Sallman items.
